

Research Proposal Template

Project Title:

Principal Investigator:

Executive Summary (Abstract) of Project limited to 250 words

Anticipated Results limited to 200 words

Please describe the research problem and project scope (including timelines, milestones, and project deliverables) for the period of 12-24 months. Research proposals should address collaboration across CMU and/or with industry as well as anticipated visibility and applied utilization opportunities. Please reference the CFP on the CBI website. Limited to 300 words.

Justification for budgetary items limited to 250 words. Our intent is to primarily support researchers (e.g. graduate students, post docs, faculty summer support), in preference to capital equipment or materials.
